# Beginner Quilting Table Runner Project

## Class Requirements

- Must know the basics of how to sew.
- Must have a working knowledge of your sewing machine.
- Make sure your machine is in good working order and the tension is correct for a basic straight stitch. Unfortunately there will not be time during class to troubleshoot any major machine problems or teach you how to use your machine.

## Class Supply List

- Sewing Machine
- Machine Quilting Needles: Machine quilting needles have a specifically tapered, ultra sharp point and extra stiff shaft to provide better stitch quality through multiple layers of fabric.
- Walking foot attachment for your sewing machine
- Machine Quilting Gloves
  - Machingers
